

# Professional Business Plan

As a business, legal, or medical professional\* you have unique banking needs. Whether you are starting out on your own, expanding your practice, or streamlining operations, we can customize a plan that is right for you.

## Up to 100% financing for:

- ✓ Real estate purchases
- ✓ Equipment and leasehold improvements

Our suite of products and service plans will be tailored to meet the needs of your unique operating model.

### Business Lines of Credit

- No set up or application fees
- Secured by personal or corporate guarantee and GSA
- Can be set up in corporation or proprietor name

### Operating Accounts

- Choose a business account and service plan that meets your transactional needs
- Tiered interest rates paid on positive balances
- Business High Interest Savings Account (HISA)

### Cash Management Services

Special pricing for:

- Pre-authorized payments / direct deposits
- Merchant services (including cash management)
- Payroll

We can also offer special pricing for your personal banking needs, in addition to extending benefits to your employees. Ask us about our personal term loans and preferred pricing.
