## Interest in running for Board of Directors

I have been honoured to be a member of the Board of Directors for Kawartha Credit Union for the past six years, and I am the current Chair of the Board. I have enjoyed my time on the Board and would like to continue to contribute to the success of Kawartha over the next three years.

During my term on the Board, I have completed the Credit Union Director Achievement Program, and completed a comprehensive director training program, The Professional Director Certification Program. Both programs have given me ever greater insight into both the Credit Union sector and the role of the Board in Governance.

I would like to have the opportunity to continue to work with the executive team as Kawartha strives to support the financial success and well-being of our members.

## Work Experience

In addition to the past six years with Kawartha, I have participated on several Not-for-Profit boards, including the Lindsay Curling Club, Peterborough Regional Health Centre, Community Care Foundation (City of Kawartha Lakes) and several Condominium corporations.

## Corporate Experience

- Through various positions with CIBC and Hewlett Packard I have been deeply involved with IT operations for Financial Institutions. I have been assigned to projects that ranged across all aspects of the back-end support systems, including branch operations, ABM (automated bank machine), POS (point of sale), and the necessary network technology to connect them all together.
- I have a strong customer service focus having worked as both a sales associate with GolfTown and as an investment advisor, specializing in retirement planning.

## Education/Certifications

- CPA, CGA - 1996
- Professional Director Certificate Program– 2021
- Credit Union Director Achievement program (CUDA) - 2020
- B.Comm – University of Toronto - 1988

## Community Involvement/Volunteer Work

I have been on a number of volunteer Board of Directors including Lindsay Curling Club, Peterborough Regional Health Centre, Community Care Foundation (City of Kawartha Lakes), and Condominium Corporations. I was also a Community Representative at Ross Memorial Hospital

## Personal Interests

- I have been actively involved in the equestrian industry for over 45 years, training and riding horses
- I am an avid golfer and curler depending on the season
